Welcome! *From the director...*

Although I have been with the CRA for almost 10 years, every day is still filled with surprises – new faces, fresh ideas and ever-changing activities. We are here to provide great programs to the Central Berkshire region, keeping our community strong in body, soul, and mind through social, cultural, educational, recreational, and wellness programs. This means we need to keep looking at what we are doing and finding ways to improve. At the same time, we are proud of our traditions and love to hear stories about days at the old “cow house.”

We hope that you can take a few minutes to check out the pictures, programs, and general information that we’ve put together in this brochure. Like me, I think you’ll be surprised with the faces, ideas and activities available at the CRA.

Our Mission

To build a sense of community by offering social, educational, recreational, cultural and wellness programs to the Central Berkshire community in a safe, welcoming and inclusive environment. We are a collaborative non-profit charitable organization open to all ages since 1923.

Where Our Funding Comes From

Our funding comes from a variety of sources. For many years, the Town of Dalton has provided funds for youth sports and the summer parks program. The CRA also receives generous funding from Berkshire United Way for many of our youth programs. Grants from other local sponsors, memberships, fees, and donations are the final source of our funding. Financial aid is available for families needing assistance.

The Community House, Dalton Youth Center and the associated grounds are owned and managed by the Winthrop Murray Crane Trust. Their support and commitment is truly appreciated by the CRA staff, Board, and members of our community.

Special Events

The CRA holds a number of events throughout the year to help fill the gap between program income and expenses. We work hard to keep expenses down, fees affordable and scholarships available.

These fun events support our youth activities, including Adaptive Programs, Little Buddies/Big Buddies, Tutoring, Leader’s Club, Youth Employment and the Youth Advisory Board.

Watch for “**Save the Date**” boxes throughout this brochure for information about each event. We hope you’ll join us!

You can make an impact!

Your time and donations ensure that local children and families enjoy CRA benefits, programs and experiences.

FAN Club

Friends, Alumni and Neighbors, what we affectively term FANs. With a donation of any amount, you can become a member of our FAN club and ensure that these programs continue running for our youth. We hope that you’ll consider becoming a FAN by donating to the FAN Club.

"The best part about our relationship with the Dalton CRA is how easy they make getting the classes set up. They offer us great ideas and work within our schedules to make it work. The feedback from our employees is really great. The morning after class it creates awesome conversation and support of each other's fitness journeys. We would recommend working with the CRA to any local business. It is not only great for employees personally but we see a benefit to the increased positive energy and production in the work place!"
