WHAT IS CATA?

We're a nonprofit organization that nurtures and celebrates the creativity of people with disabilities. Through dynamic arts programs, CATA artists tap into their talents and share their creativity with the wider community. We collaborate with 50 different residences, public schools, day programs, and social service agencies to bring programs in dance, theater, painting, drumming, yoga, juggling and more to over 800 people with disabilities across Berkshire and Columbia counties. Learn more at CATAarts.org.
