

The Dalton CRA is a non-profit agency with the purpose of providing the community with programs and activities that meet the needs of the community and outlying areas. The CRA is committed to providing resources to implement the programs that enhance the physical, educational and social quality of life for pre-schoolers to senior citizens.

The CRA Golf Tournament helps enable the agency to continue to provide existing programs and new programs for all members of the community. The fundraising from this year's tournament will help us with Dalton Youth Center programming and financial aid for those less fortunate, for summer camps and our sports programs.

Your commitment to our tournament is a prime example of why our youth in and around Dalton enjoy a broad range of opportunities to recreate and grow as happy, well-adjusted youngsters.

Thank you!
