

CRA Adaptive Homerun Baseball

CRA Homerun Baseball League is to offer a safe, fun, and rewarding recreational program for those children whose disability prevents them from participating in a regular sports league.

All games will be coaches pitch and no score, or league standings will be kept. Every child should feel the joy of playing sports and our hope is that they will make new friends, have fun, and learn new skills. Children ages 7 and up are encouraged to participate.

Games will be held on **Sundays beginning September 19th at 3:30 at Pinegrove Park. The league will continue for six weeks of games, ending on October 24th.** Each participant will receive a shirt and a hat. The season will conclude with an awards ceremony and pizza party.

Please sign up at the CRA by September 13th at the CRA (413)684-0260.

High school students that would like to volunteer please contact Dan McMahan
(413)684-0260 x204 or dmcmahon@daltoncra.org
