

TUTORING

The CRA offers FREE tutoring support to CBRSD students for students in need of help with school work!

Tutoring available for students grades 3-12

During a tutoring session, tutors can work with the student on subject matter, essay revisions, and homework assistance in hopes of strengthening the student's understanding.

Tutoring meetings are in-person at the Dalton Youth Center (DYC)

Tutoring begins Monday, November 27th and continues through the school year.
